

URGENT UPDATE for YOBC's Concert on Sunday April 29, 2018

PLEASE READ ALL INFORMATION CAREFULLY!

We have just been advised that there is a major, campus-wide festival, **A-Day**, taking place at Delaware Valley University's campus on Sunday, the day of our concert. **This will have a major impact on arrival/parking for YOBC.** There will be hundreds of vendors, displays, and activities throughout the campus and all parking for the day will be off-campus. The college has been working with us to accommodate our concert needs and minimize inconvenience to YOBC members and guests. That said, you should anticipate heavy traffic and off-campus parking with some walking required to access the concert venue. **Please carefully review and print arrival instructions and the map provided BEFORE leaving your home.** Expect delays and some confusion. Thank you in advance for your patience and flexibility.

Drop-Off Area for Musicians/Volunteers - All Day

Strongly Recommended for All Student Arrivals

There will be a drop-off only area at 'Foundations,' located across E. Butler Avenue from the Life Sciences Bldg. (concert venue). A crossing guard will be available to assist pedestrians across the street. We highly recommend that parents use the drop-off area to get students to their dress rehearsals/concert. Volunteers carrying supplies may also find this useful.

Early Arrival Parking for Musicians/Volunteers/Parents from 11:30 – 3:00

YOBC musicians/volunteers/parents who need to park and are arriving between 11:30 and 3:00 pm have been assigned parking in Lot E. Please identify yourself as part of the YOBC concert group to all parking attendants and let them know **that you have been authorized to park in Lot E** by A-Day management. Musicians and volunteers who are planning on using parking Lot E should **plan on allowing an extra 30 minutes** to arrive at the concert venue on time. Please be aware that Lot E is a full, **10 minute walk** from the concert venue! Please follow these directions and signage for '**A-DAY Parking**':

- Turn onto New Britain Road from Butler Avenue/202
- Turn onto the Campus Loop Road off of New Britain and proceed towards parking lot D (this is the handicapped parking lot) Identify yourself as YOBC, headed to parking in Lot E, via Campus Loop Road.
- From Lot D, follow the Campus Loop Road, bearing left to go under the railroad tracks.
- After passing under the railroad tracks, turn right onto Farm View Road.
- Immediately after the road takes a sharp bend to the left, take a quick right onto Field Drive and follow the road to Lot E.
- After parking, proceed on foot using the footbridge to cross over the railroad tracks, onto the main campus.
- Using the map we have provided, walk through the main campus toward the Life Science Building (10 min walk)

YOBC Concert Attendees Arriving from 3:00 – 4:00 pm ONLY

There is a \$10 parking fee which will be waived for YOBC concert guests arriving **from 3:00 – 4:00 pm only**. Please plan your arrival accordingly. Make sure to allow at least 20 minutes extra to arrive on time for the concert.

- Park as directed by parking attendants
- Clearly identify yourself as an attendee of the YOBC concert in the Life Science Building and remind parking attendant that the parking fee has been waived for YOBC by A-Day management.
- Using the map provided, proceed on foot towards the Life Science Building.

Handicapped Parking Instructions from 3:00 – 4:00 Only

Handicapped parking is available for those with state-issued plates or parking permit. Advise parking attendants that you are with YOBC and need handicapped parking. The handicapped parking area is located in Lot D. A shuttle bus is available. If you arrive to the handicapped area earlier than 3:00 pm, there will be a \$10 charge.

IMPORTANT: All Musicians Must Bring these Items:

- Music Stand (college stands not available)
- Light lunch (no food/drinks are available at this concert)
- Maps & Directions
- Music/Instrument/Concert Dress

ATTENTION!
 DELAWARE VALLEY UNIVERSITY Campus-wide event
 Please allow extra time and plan accordingly.
