

Dear Sponsor:

The Youth Orchestra of Bucks County's 28th season is about to begin. **We hope you will consider the opportunity, through sponsorship, to support young musicians from across the Bucks county and the surrounding communities.**

Information about our sponsors will reach over 78,000 households this year through our website, seven concerts, annual benefit, community events, and special recognition of all sponsors to be provided in a Sunday edition, half-page advertisement in *The Bucks County Courier Times* and *The Intelligencer* newspapers.

YOBC exists to ***create opportunities for young musicians to achieve artistic excellence through enriching classical music experiences.*** Bucks County and the surrounding region is special because of our commitment to the arts. Musical opportunities are proven to have academic and social benefits, including confidence, a sense of community, commitment, and teamwork.

Each season at YOBC, our tuition **covers just a portion** of our costs and as such we are reliant on sponsorships and donations from organizations like yours. Sponsorships and donations provide scholarships and fund community outreach programs.

Please consider supporting the Youth of Bucks County by giving them access to these music education programs. Your support will give your company valuable exposure and build goodwill with over 1,500 attendees at YOBC's seven concerts and events.

Levels and benefits of sponsorship are detailed in the enclosed document. For more information about these opportunities, please contact me at 267-394-7855 or [director.yobc@gmail.com](mailto:director.yobc@gmail.com). Thank you for stepping up to be a leader in the community we're building together.

Sincerely,

**Elizabeth M. Guerriero, Ph.D.**
