

2019-2020 Season Sponsorship Opportunities

Full Season Sponsorship/Advertisement

Deadline: October 19, 2019

Highlight Your Business and Support YOBC

Each year, the Youth Orchestra of Bucks County (YOBC) connects with more than 240 YOBC students and their families, 1,500 YOBC concert and event participants, and music teachers and students from all 13 school districts in Bucks County. Visibility will include 78,000 local households receiving the *Bucks County Courier Times* and the *Intelligencer* newspapers. We are offering annual sponsorship opportunities that will include maximum visibility through recognition at our concerts, on our website, in our regular e-newsletters, on our promotional items, at our community events, and in a special display ad in the newspapers.

Proceeds will help YOBC execute our mission of creating opportunities for young musicians to achieve artistic excellence through enriching classical music experiences, including our Students-in-Concert (SIC) program which provides educational opportunities in several school districts whose music programs have been cut back or eliminated altogether.
